

Confession for the United States of America

Father, we thank you that this nation is blessed because our God is the Lord and we are the people you have chosen for your inheritance. Thank you that the righteous are in authority and the people rejoice. We call for a crop failure of all bad seed sown into this nation, and we call for a bumper crop of all good seed sown into this nation. We release the truth into every realm of life in this nation that men may say, "Surely this great nation is a wise and understanding people." In Jesus' name, Amen.
